Mr. Max Bishop confirmed the ExCo has already initiated a complete review of the contents of the IWGA Constitution and the By Laws. The review has already identified certain changes that need to be made next year. One of the items raised by Lifesaving was the size of the Executive Committee and the proposal from Lifesaving suggested there be a slight increase. The Board had already considered the matter and decided in principle it would be a good idea to propose to the AGM a small increase in the size of the Executive Committee. The new Executive Committee will discuss the matter and propose a special meeting in November during the IF Forum to discuss the size of the Board as well as any changes to the Constitution. Following the meeting in November, the new Executive Committee will draw up specific proposals to be distributed in good time for a decision to be taken at the 2015 AGM. If the new ExCo proposes an increase in the size of the Board and this is accepted by the AGM, it would also be proposed that the decision be implemented immediately, which will allow an election to take place next year for (an) additional Executive Committee Member(s).

11. Applications for IWGA Membership

11.1 Presentations of Applications

Mr. Gossow informed the AGM that IWGA had received three applications from the following IFs: Kickboxing, Modern Pentathlon and Wushu.

The order of presentations was randomly selected during the March ExCo meeting in Lausanne: Modern Pentathlon, Kickboxing and Wushu. Each applicant was allowed five minutes for their presentation. Mr. Gossow asked the delegations of the three applicants to leave the room to be called back in one by one.

Mr. Gossow read from the IWGA Constitution 7.1.11:

• „With the exception of voting on elections, all voting in the General Meeting will be by show of hands or by voice, unless the Chairman or the Delegates of three

(3) Member Federations require a secret ballot. Voting on elections will always be by secret ballot.“

Mr. Gossow confirmed the Chairman required a secret ballot.

Mr. Gossow then informed the AGM on the procedure for approval of applications for IWGA Membership as follows:

1. Draw lots for the order of presentation.
2. Hear all three presentations one after the other.
3. Carry out a secret vote using the single ballot paper, distributed after the final presentation, on which the names of all three applicant federations are listed, with boxes for YES, NO and ABSTAIN beside each of them.

Mr. Gossow confirmed there were 36 Member Federations present at the time of the voting. Mr. Gossow explained the voting procedure:

1. Put a cross in the respective box yes, no abstain. A blank vote will be considered as abstention.
2. If you give answers for Sport A and Sport B (for example), but leave the other sport blank, we will deem that you have abstained for that one sport.
3. If you spoil an answer for one sport (for example by **crossing out** Abstain, but not choosing between Yes and No) this does not spoil the whole ballot paper - the other answers will still be valid.

Mr. Gossow instructed the scrutineers to distribute the ballots. After the voting was completed, the scrutineers collected the ballots and tallied the votes. The applicants were invited back into the room.

President Froehlich announced the results with 36 IFs available for voting:
